Tessa works for the Department of Conservation in Alexandra and has a Community Relationship Role. Her PHD was based around the study of open areas and the effect that a landscape can have on people.

Shona Bain Lunchtime Cooking Demo - Catering for family or guests with food allergies

Today this seems to be becoming more common and when we hear we are having visitors with food allergies, it's difficult to know what to cook. Shona Bain will demonstrate a few standbys that we will enjoy for lunch.

Melinda Tweedie Tweak Interiors

Tweak Interiors is owned by interior designer Melinda Tweedie. Tweak Interiors specialises in drapes and blinds, with all our drapes sewn on site by Denise Cumming. We also have a large range of wallpaper, with a lot of books that other stores locally do not have. Cushions are a big thing at Tweak! We also stock duvet covers, bedspreads, bedlinen, bathroom linen, furniture & giftware. We love NZ made and anything a bit different.

Our aim is to show people how to use colour, texture and pattern in a style that suits the individual. We have something for everyone at Tweak on any budget. The staff are more than happy to discuss your ideas and we offer a free measure and quote for drapes and blinds.
